Log Data

When you access our website, we collect information that your browser sends whenever you visit a website or online service (“Log Data”). This Log Data may include, but is not limited to, your computer’s Internet Protocol address, browser type, the web page you were visiting before you came to the Site and information you search for on the Site and the Service. In addition, if you access the Service via a mobile device, we may collect a PushID, subject to your consent as indicated by you in the mobile application, and a Mobile IP.

Cookies

Cookies are small text files stored by your browser on your computer or device when you visit certain pages or perform certain actions on this and other websites. They are used to help your browser remember your choices and display the correct information for you - such as items in your basket - and not treat you as a new visitor each time you visit a page.

What kind of cookies we use

Session cookies

Some cookies are only set for the duration of your visit to help you get around and give you relevant information. Persistent cookies

These cookies are set for longer periods so that your browser can remember your choices from a previous visit. The stored cookies cannot harm your device, are anonymous, and unique to your browser.

Third-party Cookies

In order to give you the best possible client experience, we collaborate with a number of third parties to help us collect anonymous statistics about how our site is being used and provide you with further information that may be of interest to you. As part of this process, our Third-party partners may set their own cookies during your visit.

Insofar as those cookies are not strictly necessary for the provision of our website and services, we will ask you to consent to our use of cookies when you first visit our website. Also, you can choose to disable or block these cookies in your browser but without some of them our site will not work. For more detailed information about cookies please visit www.allaboutcookies.org.

How we use cookies?

We use cookies to help us find which services you are interested in and remember details about your application. We don't store sensitive information like your name or address in our cookies, just an anonymous reference to them so that we're able to find them.

We also occasionally set cookies to help you navigate around the site, enhance your experience, or give you important information regarding interests.

Google Analytics

We use Google Analytics on the website, a web analytics service provided by Google, Inc. ("Google"). Google Analytics is used to help us obtain data regarding use of the website. The information generated by the cookie about your use of the website (including your IP address) may be transmitted to and stored by Google on servers in the United States. Google will use this information for evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full website functionality. You will be requested to consent to the processing of data about you by Google in the manner and for the purposes set out above.

How to control cookies

If you do not want to receive certain categories of cookies on our website, you can opt out of them. We will need to set a cookie so that we can remember your choices when you next visit the website from the same browser. At the present time it is not technically possible for us to allow you to carry your settings with you between your browsers and devices so you will need to change these settings from each browser you use.

Please also be aware that we make every effort to respect your choices, however, there is the possibility that not all cookies will be captured. If this is a concern, then we would recommend that you change your cookie settings via your browser; your browser help function will show you how.

Note: most of our website may work without cookies, but you will lose some features and functionality if you choose to disable cookies.

How We Use Information

We use your information in order to (i) monitor and analyse use of the website and for the technical administration of the website, (ii) improve the website, (iii) generate and derive useful data and information concerning the interests, characteristics, use and behaviour of our visitors.

Aggregate Information and Non-Identifying Information. We may share aggregated information, including queries and offers generated as a result of your use of the website, that includes non-identifying information and Log Data, with third parties for industry analysis, demographic profiling, other commercial purposes and to deliver targeted advertising about products and services. Any aggregated information shared in these contexts will not contain any personal information.

Scope of the Policy and Third-Party Sites

This policy applies only to us and this website. We do not exercise control over other websites, or over banners or links from within our website. These other websites, banners or links may place their own cookies or other files on your computer, collect data or solicit personal information from you subject to such third party's privacy policy. We encourage you to read the privacy policies and other terms of such third parties before accessing or using them.
