KEY WAY MARKETS LTD takes the appropriate measures to ensure a level of enhanced security to protect any personal data provided to us from accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to personal data transmitted, stored or otherwise processed. The Company implements appropriate technical and organisational measures such as data encryption, access management procedure, clean desk policy, business continuity and disaster recovery, IT systems risk assessment, physical and logical access segregation, process in case of personal data breach policy, etc. Additionally, the Company limits access to the Client’s personal data to those employees, agents, contractors and other third parties who have a business need to know. They will only process the Client’s personal data on the Company’s instructions, and they are subject to a duty of confidentiality.

Your personal data may be stored electronically or in paper form.

#### 5. Automated decision making and Profiling

In order to perform the contact between us it is requested for the provision of the investment services to you, to assess your knowledge and experience, your financial situation and investment objectives.

We will fulfil the above requirements through the following tools:

**Appropriateness Test:** it takes place when you require registering as client of the Company. Hence, we need to check and ensure that you are suitable for the provision of the Company’s services and products by taking an appropriateness test in regard to your knowledge, financial background and experience with regards to financial services. The reason for assessing the Client’s appropriateness is to act in the client’s best interest, in case the Client is not suitable for the Company’s products, the Company will automatically warn the Client and if Client still wishes to continue he/she will have to furnish the Company with his/her acknowledgment.

The scorings above are monitored by the Company’s Compliance department. During these processes, the Company takes all the technical and operational measures to correct

inaccuracies and minimise the risk of errors, to prevent any discrimination and to secure personal data of the client.

## 6. How we treat your personal data for marketing activities and whether profiling is used for such activities – How to opt out?

We may process your personal data to tell you about products, services and offers that may be of interest to you or your business.

The personal data that we process for this purpose consists of information you provide to us and data we collect and/or infer when you use our services. This information helps the Company to improve its services, customise browsing experience and enables it to inform its clients of additional products, services, or promotions relevant to clients. In some cases, profiling is used, i.e. we process your data automatically with the aim of evaluating certain personal aspects in order to provide you with targeted marketing information on products.

We can only use your personal data to promote our products and services to you if we have your explicit consent to do so or, in certain cases, if we consider that it is in our legitimate interest to do so.

## 7. Opt out from receiving marketing information
